NEW! Multi COLORS Available! OtterBox Defender Series Case Belt Clip Holster

Item Description

The Defender Series case provides heavy duty protection against drops, dust and damage without taking away from the usability of your phone's features. The Defender Series case offers triple-layer protection and is built from a high-impact polycarbonate shell, durable silicone slipcover and a built-in screen protector, making it one of the toughest cases on the market. Why else do you think we called it the Defender Series?

Features

- Robust, 3-layer protective case withstands drops, bumps and shock.
- Built-in screen protector guards against scratches.
- Port covers keep out dust and debris.
- Belt-clip holster included that doubles as a kickstand for hand-free media viewing.
- Includes OtterBox 1-year case warranty (see website for details) and 100% authentic.

Brand: OtterBox
Model: Defender Series

Condition

- Brand New, in Retail Packaging

Compatibility:
Samsung S7

WATER PROOF CASE

-101

Introduction:

We can be having a call, listening to music, filming, playing a game, sending a message but 6 meters underwater. Depth up to 6 meters. It can be underwater up to 3 hours. The product is used to protect the phone of all those people who like to play water sports, this is convenient because it can bring business information to them while they are enjoying their activities in the water. The product is dustproof, shock proof and protect your phone from dropping. And it will become a necessity for each travel, it has many advantages. 100% waterproof.

Use of place:

When we are swimming at the beach, we can take photos to remember the time, let the moment become good memory, and at the same time we can also play a game, listen to music and so on, 100% waterproof. We don't have to worry anymore if it gets wet. For people that love to dive and professional photographers, the phone can reach 6 meters underwater to take the picture as a souvenir of a professional shot. 100% waterproof. When we surf and when we go skiing, we can go through a wave, film the moment and not worry about anything because this product is rain-waterproof, so this means it won't affect any telephone message while we are having a joy time. Since it's shockproof, dropproof, dustproof, it can also be used by construction workers and fishermen. And it covers each of our necessities. Talking about natural disasters, if we are surprised by a natural flood, we can definitely call first aid because the phone won't stop working, it can even become the preferred product between the flood volunteers. 100% waterproof.

About the material:

The product is molded by using imported environmental PC material and the international environmental TPE material. Precision mold, unique design, absolutely waterproof.

waterproof

for iPhone 6/6s

introduction:

waterproof case for iPhone 6

- 1 We can be having a call, listening to music, filming, playing a game, sending a message but 6 meters underwater.
- 2 Depth up to 6 meters.
- 3 It can be underwater up to 3 hours.
- 4 The product is used to protect the phone of all those people who like to play water sports, this is convenient because it can bring business information to them while they are enjoying their activities in the water.
- 5 The product is dustproof, shockproof and protect your phone from dropping. And it will become a necessity for each travel, it has many advantages.
- 6 100% waterproof.

Use of place:

- 1 When we are swimming at the beach, we can take photos to remember the time, let the moment become good memory, and at the same time we can also play a game, listen to music and so on, 100% waterproof. We don't have to worry any more if it gets wet.
- 2 For people that love to dive and professional photographers, the phone can reach 6 meters underwater to take the picture as a souvenir or as a professional shot. 100% waterproof.
- 3 When we surf and when we go skiing, we can go through a wave, film the moment and not worry about anything because this product is rain-waterproof, so this means it won't affect any telephone message while we are having a joy time.
- 4 Since it's shockproof, dropproof, dustproof, it can also be used by construction workers and fishermen. And it will cover each of our necessities.
- 5 Talking about natural disasters, if we are surprised by a natural flood, we can definitely call first aid because the phone won't stop working, it can even become the preferred product between the flood volunteers. 100% waterproof.

About the material:

The product is molded by using imported environmental pc material and the international environmental TPU material. Precision mold, unique design, absolutely waterproof.
